## NDMC and the Hobby-X Fair held at the Durban ICC from 28<sup>th</sup> to 30<sup>th</sup> August 2015.

The organisers of Hobby-X approached us recently with a view to NDMC displaying models at their Fair held at the Durban ICC. Below is the report and pics by Richard Hebbon.

I had a stand at the Hobby-X on behalf of NDMC. It was a fantastic show and a great loss for those who did not attend. It was extremely well attended on all three days. I made a few contacts of people who had old Dinkys and may be willing to sell. Now waiting for them to get in touch - and if I get any models for sale I will put them on a closed auction. We may also have a few new members amongst the visitors who showed interest in the club, again wait and see what happens at our next meeting. The next HOBBY-X will be held in 2017 and I strongly advise people to attend.

**Below are several views of the NDMC display at the recent Hobby-X Fair.**
