

Natal Diecast Model Collectors

Rod Guérin Annual Diorama Competition

RULES

- 1) There must be a set 'theme' so that all entries are on a common ground.
- 2) Entrants must comply with certain requirements, i.e.:-
 - 2.1 Maximum area of base (width of standard metal trestle table by $\frac{2}{3}$ length of table)
i.e. 750mm x 1130mm
 - 2.2 There must be a suitable title on the base for the theme or subject selected.
 - 2.3 There must be a brief description of the diorama fixed to the base and easily read:
e.g. i) why the models were chosen
ii) what is the entrant trying to convey.
 - 2.4 A limit on the number of models permitted: i.e. 20 max permitted. Models used may be of any scale.
 - 2.5 Models used can be metal die-cast or resin.
 - 2.6 Any other props / materials etc may be used on the diorama to illustrate the theme or title.
- 3) Three judges to be selected "in rotation".
- 4) We will ask a representative from AutoDealer to take photographs.
